

COURSE OVERVIEW

# Politics & Economics

Oxford College

## At a Glance

Price: £5,995

Ages: 16-17

Duration: 2 weeks

Starting Dates:

2nd July, 16th July, 30th July 2023

Location:

Oxford College

Ideal for ambitious students wishing to develop their understanding of the political and economic foundations of the contemporary world in preparation for future studies. On this course you will broaden your knowledge of key concepts and evaluate the ideologies and values at the heart of different political systems, gaining an understanding of international geopolitical trends. Through the development of your own political campaigns in our active collaborative project, you will apply your newfound knowledge and develop key presentation skills and interpersonal skills.

Our unique Industry Experience programme will give you authentic insight into life and studies in politics and economics while being able to rub shoulders with professionals in the field. Topics studied on the course include economic growth, public spending, taxation, economic systems, parliament, and political parties.

Politics and Economics

# Time to Shine

The Campaign Trail: The Oxford College Election 2023

Mastering the art of public speaking is essential for any successful political career. Throughout the programme, students will participate in an assignment in which they will develop a campaign for a political election. This project will culminate in the students giving a 10-minute campaign speech and presentation, followed by an election in which the whole college participates.

## What You'll Learn

- ✓ Advanced concepts in political theory, including types of governance and elections.
- ✓ Macro- and microeconomics, and the role they play in how states are governed.
- ✓ Trends in globalisation, and the issues faced by global integration.
- ✓ The causes of conflict and instability, both locally and globally.
- ✓ Take part in our exciting Campaign Trail Time to Shine project, in which you and your classmates will campaign for election to the Oxford College student council.
- ✓ Through fun and engaging lesson activities, develop and apply your 21st century skills, such as critical thinking, communication skills, collaborative skills, and original thinking.

# Industry Experience

Visit the home of British democracy, the Houses of Parliament. Take the guided tour to learn more about how this centre of power operates, and learn how politicians work together to govern one of the world's oldest democracies.

A highlight of our academic programme is our Industry Experience afternoons, where students take part in a series of workshops and lectures led by top industry professionals and academics in their respective fields. The Industrial Experience element of our courses provides a profound level of insight so that students can further make informed decisions as to whether their future career choices are right for them. Our College students will be introduced to a real-world professional environment in their chosen field of study, where they will absorb knowledge through workshops, lectures and Q&As.

## Book your place

A booking can be made online on our website [summerboardingcourses.com](http://summerboardingcourses.com)

Course places are limited so we recommend booking early. If you are booking on behalf of a family, please let us know at the time of booking.
