

# Ultimate Crafts

Students will try a variety of arts and crafts with a wow factor, learning new craft skills, getting to personalise their style and take home their creations. Workshops show and teach everything from clay jewellery making, jesmonite pottery, to hydro dipping and upcycling. Our Ultimate Crafts course complements our Art & Design academic course so students with a love of art can fully immerse themselves in a summer full of art experiences.

This course aims to develop our students':

## **Creativity**

Stimulate your imagination and foster innovative thinking with diverse, hands-on projects that challenge you to see the world through an artistic lens.

## **Self-expression**

Find your unique voice and convey your thoughts and feelings through creative expression in a nurturing environment that celebrates individuality.

## **Artistic skills**

Advance your artistic abilities with comprehensive workshops that cover various techniques and mediums, enhancing your skill set in a supportive setting.

## **Confidence**

Gain confidence as you create and present your art, receiving encouragement and constructive feedback that bolsters your self-esteem and public speaking skills.

## **Concentration**

Improve your focus by engaging in detailed art projects that require patience and persistence, leading to a rewarding sense of accomplishment.

## **Who will lead the course?**

An SBC Art teacher will lead the course.

## **What do students need to bring?**

Only their imagination, all equipment is provided.
